**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC DISCLOSURES  
REGARDING THE DEBTOR'S AMENDED AND RESTATED SCHEDULES OF  
ASSETS AND LIABILITIES AND AMENDED AND RESTATED  
STATEMENT OF FINANCIAL AFFAIRS**

**Introduction**

ATP Oil & Gas Corporation (“**ATP**” or the “**Debtor**”), as debtor-in-possession in the above-captioned Chapter 11 case, with the assistance of its advisors, has filed its Amended and Restated Schedules of Assets and Liabilities (the “**Schedules**”) and Amended and Restated Statement of Financial Affairs (the “**Statement**,” and together with the Schedules, the “**Schedules and Statement**”) with the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “**Bankruptcy Court**”), pursuant to Section 521 of Title 11, United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

These Global Notes, Methodology, and Specific Disclosures Regarding the Debtor’s Amended and Restated Schedules of Assets and Liabilities and Amended and Restated Statement of Financial Affairs (the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtor’s Schedules and Statement. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statement.

The Schedules and Statement do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“**GAAP**”), nor are they intended to be fully reconciled with the financial statements of the Debtor. Additionally, the Schedules and Statement contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtor’s reasonable best efforts to report its assets and liabilities.

Albert L. Reese, Jr. has signed each of the Schedules and Statement. Albert L. Reese, Jr. is the Chief Financial Officer of the Debtor and an authorized signatory for the Debtor. In reviewing and signing the Schedules and Statement, Albert L. Reese, Jr. necessarily has relied upon the efforts, statements, and representations of various personnel employed by the Debtor and its advisors. Albert L. Reese, Jr. has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statement,

including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

### **Global Notes and Overview of Methodology**

**1. Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statement; however, inadvertent errors or omissions may exist. The Debtor reserves all rights to further amend or supplement the Schedules and Statement from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statement with respect to claim (“**Claim**”) description and/or designation; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statement as to amount, liability, priority, status, or classification; subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated,” or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statement as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtor. Furthermore, nothing contained in the Schedules and Statement shall constitute a waiver of rights with respect to the Debtor’s Chapter 11 case, including, without limitation, issues involving Claims, defenses, equitable subordination, and/or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtor shall not be required to update the Schedules and Statement.

**2. Description of Case and “As Of” Information Date.** On August 17, 2012 (the “**Petition Date**”), the Debtor filed a voluntary petition for relief pursuant to Chapter 11 of the Bankruptcy Code in the Bankruptcy Court. The Debtor continues to operate its business as debtor-in-possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code.

On August 24, 2012, the United States Trustee appointed an official committee of unsecured creditors pursuant to Sections 1102(a) and 1102(b)(1) of the Bankruptcy Code (Docket No. 194).

The asset information provided herein, except as otherwise noted, represents the asset data of the Debtor as of the close of business on July 31, 2012, and the liability information provided herein, except as otherwise noted, represents the liability data of the Debtor as of the close of business on July 31, 2012.

**3. Net Book Value of Assets.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtor to obtain current market valuations for all of its assets. Accordingly, unless otherwise indicated, the Schedules and Statement reflect net book values as of July 31, 2012. Additionally, because the book values of assets such as patents, trademarks, and copyrights may materially differ from their fair market values, they are listed as unknown amounts as of the Petition Date.

**4. Recharacterization.** Notwithstanding the Debtor's reasonable best efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statement, the Debtor may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtor's business. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statement at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed in the Schedules and Statement were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

**5. Liabilities.** The Debtor has sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statement. The Debtor continues to receive invoices related to liabilities incurred during the prepetition period and, as additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtor reserves all of its rights to amend, supplement, or otherwise modify the Schedules and Statement as is necessary or appropriate.

The liabilities listed on the Schedules and Statement do not reflect any analysis of Claims under Section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserves all of its rights to dispute or challenge the validity of any asserted Claims under Section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

**6. Excluded Assets and Liabilities.** The Debtor has excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statement, including, without limitation, goodwill, accrued salaries, employee benefit accruals, accrued accounts payable, customer deposits, and deferred gains. The Debtor also has excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may be rejected, to the extent such damage Claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

Various unallocated receivables that have not yet been reconciled against invoices and other business records have been excluded from the Schedules and Statement. Such amounts are, however, reflected on the Debtor's books and records as required in accordance with GAAP. Such accruals are general estimates of accruals and do not represent specific assets as of the Petition Date. The Debtor has made every effort to include as contingent, unliquidated, or disputed the Claim of any vendor not included in the Debtor's open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

The Bankruptcy Court has authorized the Debtor to pay, in its discretion, certain outstanding Claims on a postpetition basis. Prepetition liabilities that have been paid postpetition or those that the Debtor plans to pay via this authorization may have been excluded from the Schedules and Statement. In addition, the amounts owed to specific employees of the Debtor resulting from prepetition accrued but unpaid bonuses will be addressed in further proceedings before the Bankruptcy Court.

7. **Insiders.** Solely for purposes of the Schedules and Statement, the Debtor defines “insiders” to include the following: directors; any owner of five (5) percent or more of the voting or equity securities of the Debtor and their relatives; affiliates of the Debtor and insiders of such affiliates; and any officer of the Debtor listed as an insider in the Debtor’s prepetition public SEC filings.

Persons listed as “insiders” have been included for informational purposes only. The Debtor does not take any position with respect to: (a) such person’s influence over the control of the Debtor; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

8. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

9. **Classifications.** Listing a Claim on (a) Schedule D as “secured,” (b) Schedule E as “priority,” (c) Schedule F as “unsecured,” or (d) listing a contract on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtor of the legal rights of the claimant, a waiver of the Debtor’s rights to recharacterize or reclassify such Claims or contracts, or waiver of the Debtor’s right to a setoff of such Claims.

10. **Claims Description.** Schedules D, E, and F permit the Debtor to designate a Claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a Claim on the Schedules and Statement as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such Claim is not subject to objection. The Debtor reserves all of its rights to dispute, or assert offsets or defenses to, any Claim reflected on the Schedules and Statement on any grounds, including, but not limited to, liability or classification. Additionally, the Debtor expressly reserves all of its rights to subsequently designate such Claims as “disputed,” “contingent” or “unliquidated.” Moreover, listing a Claim does not constitute an admission of liability by the Debtor.

11. **Causes of Action.** Despite its reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third parties as assets in the Schedules and Statement, including, without limitation, causes of actions arising under the provisions of Chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtor reserves all of its rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or

character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “**Causes of Action**”) it may have, and neither these Global Notes nor the Schedules and Statement shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

**12. Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- a. Undetermined Amounts. The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.
- b. Totals. All totals that are included in the Schedules and Statement represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- c. Paid Claims. The Bankruptcy Court authorized (but did not direct) the Debtor to pay certain outstanding prepetition Claims. Accordingly, certain outstanding liabilities may have been reduced by postpetition payments made on account of prepetition liabilities. To the extent the Debtor pays any of the Claims listed in the Schedules and Statement pursuant to any orders entered by the Bankruptcy Court, the Debtor reserves all of its rights to amend or supplement the Schedules and Statement or take other action as is necessary or appropriate to avoid overpayment of or duplicate payments for any such liabilities.
- d. Liens. Property and equipment listed in the Schedules and Statement are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

**13. Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

**14. Intercompany.** Intercompany transactions among the Debtor, affiliates of the Debtor, and/or the respective intercompany accounts payable and intercompany accounts receivable, if any, are set forth on Schedule F or Schedule B.16. Intercompany transfers between the Debtor and non-Debtor affiliates are captured on Statement question 3c.

**15. Setoffs.** The Debtor incurs certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, disputes between the Debtor and third parties. These offsets and other similar rights are consistent with the ordinary course of business in the Debtor’s industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Debtor’s Schedules and Statement.

**16. Confidentiality.** Addresses of current and former employees, including but not limited to directors, of the Debtor are generally not included in the Schedules and Statement. The Debtor will mail any required notice or other documents to the address listed in its books and records for such individuals.

**17. Global Notes Control.** In the event that the Schedules and Statement differ from the foregoing Global Notes, the Global Notes shall control.

### **Specific Disclosures with Respect to the Debtor's Schedules**

**Schedule B9.** Insurance policies have been listed on Schedule G. Additional information regarding the insurance policies listed on Schedule G can be found in the *Debtor's Emergency Motion for Authorization to: (1) Continue Pre-Petition Insurance Program; (2) Pay Any Pre-Petition Premiums and Related Obligations; and (3) Honor Obligations Under a Pre-Petition Premium Financing Agreement* (Docket No. 11).

**Schedule B21.** In the ordinary course of its business, the Debtor may have accrued, or may subsequently accrue, certain rights to counterclaims, crossclaims, and/or setoffs. Additionally, the Debtor may be a party to pending litigation in which the Debtor has asserted, or may assert, claims as a plaintiff or counterclaims and/or crossclaims as a defendant. Because such claims are unknown to the Debtor and not quantifiable as of the Petition Date, they are not listed on Schedule B21.

**Schedules B28 and B29.** For purposes of Schedules B28 and B29, the value of certain assets have been included in a fixed asset group. In addition, certain assets with a net book value of zero may not be set forth on Schedules B28 or B29.

**Schedule B29.** For purposes of Schedule B29, the Debtor has provided both the cost basis and the book value for each of its oil and gas properties. Because these operating properties include numerous component pieces of machinery, fixtures, equipment, and supplies used together in the ordinary course of the Debtor's business, the debtor has summarized the cost basis and book value of each property in the following three categories:

- a. Leasehold: Lease acquisition costs paid to federal governments and asset retirement costs. In the case of the Telemark Hub, this category also includes capitalized interest.
- b. Development: Tangible and intangible drilling and completion costs.
- c. Facilities and Structures: Including, but not limited to, offshore structures, facilities, pipelines, subsea flowlines, and umbilicals.

**Schedule D.** The Claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each Claim arose or was incurred would be unduly burdensome and cost-prohibitive. Accordingly, not all such dates are included for each Claim. All Claims listed on Schedule D, however, appear to have arisen or been incurred before the Petition Date.

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtor reserves its rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset of a secured creditor listed on Schedule D. Moreover, although the Debtor has scheduled Claims of various creditors as secured Claims, the Debtor reserves all of its rights to dispute or challenge the secured nature of any such creditor's Claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's Claim. The descriptions provided in Schedule D are solely intended to be a summary—and not an admission—of liability.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in the Global Notes or the Schedules and Statement shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated on Schedule D, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. The Debtor reserves all of its rights to amend Schedule D to the extent that the Debtor determines that any Claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor's rights to recharacterize or reclassify such Claim or contract.

Moreover, the Debtor has not included on Schedule D parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the Debtor's prepetition secured credit facility and bond issuance, only the collateral agents have been listed for purposes of Schedule D. The amounts outstanding under the Debtor's prepetition secured credit facility and bond issuance reflect approximate amounts as of the Petition Date.

**Schedule F.** The Debtor has used best reasonable efforts to report all general unsecured Claims against the Debtor on Schedule F based upon the Debtor's existing books and records as of the Petition Date. The Claims of individual creditors for, among other things, products, goods, or services are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on the Debtor's books and records and may not reflect credits or allowances due from such creditors to the Debtor. The Debtor reserves all of its rights with respect to any such credits and allowances including the right to assert objections and/or setoffs with respect to same. Schedule F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtor's books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date. The Debtor has made every effort to include as contingent, unliquidated, or disputed the Claim of any vendor not included on the Debtor's open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

The Claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a Claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each Claim, determining the date upon which each Claim in Schedule F was incurred or arose would be unduly burdensome and cost-prohibitive and, therefore, the Debtor does not list a date for each Claim listed on Schedule F. Furthermore,

claims listed on Schedule F have been aggregated by creditor and may include several dates of incurrence for the aggregate balance listed.

Schedule F contains information regarding pending litigation involving the Debtor. The dollar amount of potential Claims associated with any such pending litigation is listed as “undetermined” and marked as contingent, unliquidated, and disputed in the Schedules and Statement. Some of the litigation Claims listed on Schedule F may be subject to subordination pursuant to Section 510 of the Bankruptcy Code.

Schedule F also includes potential or threatened legal disputes that are not formally recognized by an administrative, judicial, or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy. Any information contained in Schedule F with respect to such potential litigation shall not be a binding representation of the Debtor’s liabilities with respect to any of the potential suits and proceedings included therein.

Schedule F also reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule F does not include potential rejection damage Claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

**Schedule G.** The Debtor’s business is complex. Although the Debtor’s existing books, records, and financial systems have been relied upon to identify and schedule executory contracts of the Debtor and diligent efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. Certain information, such as the contact information of the counterparty, may not be included or may be incorrect where such information could not be obtained or verified using the Debtor’s reasonable efforts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth on Schedule G and to amend or supplement Schedule G as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G.

Certain confidentiality and nondisclosure agreements may not be listed on Schedule G. The Debtor reserves all of its rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including purchase orders, work orders, service orders, charter orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry. The Debtor expressly reserves its rights to challenge whether such related materials constitute an executory contract, a single contract or agreement, or multiple, severable, or separate contracts.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtor's use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed therein shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, work orders, service orders, charter orders or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed therein. The same counterparty may appear multiple times on Schedule G. Such multiple listing, if any, is intended to reflect distinct agreements between the Debtor and such counterparty.

The Debtor reserves all of its rights, claims, and Causes of Action with respect to the contracts on Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's Claim.

In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as subordination, nondisturbance, and attornment agreements, supplemental agreements, settlement agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. Further, the Debtor reserves all of its rights to alter or amend these Schedules to the extent that additional information becomes available. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on Schedule G.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

The listing of any contract on Schedule G does not constitute an admission by the Debtor as to the validity of any such contract or that such contract is an executory contract or unexpired lease. Without limiting the generality of the foregoing, by listing a contract or agreement related to overriding royalty interests and/or net profit interests, the Debtor makes no admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtor reserves all of its rights to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to add or remove any contract.

**Schedule H.** Subsequent to the Debtor's filing of its original Schedule H, the Debtor recognized that other parties are co-obligors to claims that creditors may make against the Debtor. For example, the Bureau of Ocean Energy Management ("**BOEM**") and/or the Bureau of Safety and Environmental Enforcement ("**BSEE**") contend that the costs of plugging, abandonment, and, in general, decommissioning obligations in the Gulf of Mexico are obligations of numerous parties, including, but not limited to, current operators, current and former working interest parties to oil and gas leases in the Gulf of Mexico, prior record title

holders, and parties who have undertaken contractual obligations to perform abandonment operations or share in abandonment costs on behalf of the Debtor. In addition, the Debtor provided parent company guarantees for some of its affiliated entities and, as such, those affiliated entities remain co-obligors for such debts.

### **Specific Disclosures with Respect to the Debtor's Statement**

**Statement 3b.** Statement 3b includes any disbursement or other transfer made by the Debtor except for those made to insiders, employees, and bankruptcy professionals. The amounts listed in Statement 3b reflect the Debtor's disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 3b. All disbursements listed on Statement 3b are made through the Debtor's cash management system.

**Statement 3c.** Statement 3c accounts for the Debtor's intercompany transactions, as well as other transfers to insiders, as applicable. As described in the Debtor's Emergency Motion for an Order Authorizing (1) Maintenance of Pre-Petition Bank Accounts and Cash Management System and (2) Continuation of Current Investment Practices Pursuant to Sections 105(a), 345(b) and 363(c) of the Bankruptcy Code (Docket No. 8) (the "**Cash Management Motion**"), in the ordinary course of business the Debtor and its non-Debtor affiliates maintain business relationships with each other, resulting in intercompany receivables and payables (the "**Intercompany Claims**"). Any payments between the Debtor and a non-Debtor affiliate on account of Intercompany Claims are reflective of the difference between the opening balance and ending balance in the year before the commencement of the Chapter 11 case and, where applicable, such difference is listed on the Debtor's Statement 3c as a negative number. With respect to Intercompany Claims between the Debtor and non-Debtor affiliates, Statement 3c reflects the book value adjustment of such transfers rather than an actual transfer of funds from one Debtor entity to another.

**Statement 4a.** Information provided in Statement 4a includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. In the Debtor's attempt to provide full disclosure, to the extent a legal dispute or administrative proceeding is not formally recognized by an administrative, judicial, or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy, the Debtor has identified such matters on Schedule F. Additionally, any information contained in Statement 4a shall not be a binding representation of the Debtor's liabilities with respect to any of the suits and proceedings identified therein.

**Statement 8.** The Debtor occasionally incurs losses for a variety of reasons, including theft and property damage. The Debtor, however, may not have records of all such losses to the extent such losses do not have a material impact on the Debtor's business or are not reported for insurance purposes.

**Statement 19d.** The Debtor has provided financial statements in the ordinary course of its business to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtor's

knowledge or consent, the Debtor has not disclosed any parties that may have received such financial statements for the purposes of Statement 19d.

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.
